Art Unit: 1773

1. The amendment filed on 1/13/06 amending the claims such that they are now only drawn to a non-elected invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the elected invention because the Applicant did not elect the ionomer-polyamide blend as the second layer species. The Examiner notes that the amended claims now recite a second layer consisting of ionomer and ionomer-polyamide blend or ionomer, ionomer-polyamide blend and an additive, which both require the ionomer-polyamide blend that was not elected by the Applicant in the species election filed on 10/31/02.

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Monique R. Jackson whose telephone number is 571-272-1508. The examiner can normally be reached on Mondays-Thursdays, 8:00AM-4:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Carol Chaney can be reached on 571-272-1284. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
